You must notify the pro shop of any person or person's equipment riding with you during a round. If there is anyone else riding a cart in your group you must ride together. You may utilize the above cart program for as many rounds as you like during the season but you will not receive a refund if you have failed to fully utilize them, or if a cart is not available for your round.

You acknowledge that there are certain risks of physical injury and agree to assume all risk of injury with respect to injury to persons or property which you or any other person operating the golf carts rented under this agreement may sustain or cause.
