

Equipment Technician

Grey Silo Golf Club

Location: Waterloo, Ontario, Canada

Department: Turf

Reports To: Superintendent

Classification: Full Time Seasonal (must be available to work any shift including early mornings, days, weekends & holidays)

Summary: The Equipment Technician is responsible for the repair and maintenance of various gas and diesel-powered golf course maintenance equipment. The Technician also assists in maintaining a clean service area and maintenance building, contributes to a preventative maintenance program, and places safety as a top priority.

Primary Responsibilities:

- Inspects, diagnoses, adjust and repairs equipment as needed
- Maintains cutting units on a daily basis
- Communicates with Superintendent daily regarding equipment operation and repairs
- Operate within set safety guidelines
- Addition duties may be assigned as required

Qualifications:

- Working knowledge of gasoline and diesel powered engines
- Self-motivated, strong performer
- Able to positively interact with co-workers, and public
- Regularly required to stand, walk, bend, sit, and reach with hands
- Ability to lift/move objects up to 60 lbs
- Able to troubleshoot and repair all golf course maintenance equipment

Apply:

Please submit your resume & cover letter to Jeff Haynes, Superintendent at jhaynes.greysilo@golfnorth.ca. Please write "Grey Silo - Equipment Technician" in the Subject line.
